

Journal of the European Microwave Association

Volume 1 – Issue 1 – March 2005

“Thirty years ago ...”, pp.55-58

Fred Gardiol

Abstract - In 1974, in Montreux, Switzerland, the 4th European Microwave Conference was organized jointly with the exhibition Microwave'74, starting a long series of joint events organized on a yearly basis. A former chairman remembers a pivotal period in the evolution of the European Microwave Conference.
